T-SHIRTS

Remember to order your team T-shirts through **C.C. Creations!** Please note, C.C. Creations has the **exclusive right to print the Chilifest Logo.**

“2-days of Team Set-up”

Chilifest Teams will have 2 DAYS to set up their build to create the best Team experience possible. If teams wish to bring in **materials and drinks** for their spot with the use of a truck and/or trailer, teams **MUST arrive prior to their designated load-in time, on WEDNESDAY, March 30th.** Teams will be allotted **30 minutes to unload** any of their team spot materials (please see “Team Spot and Build Regulations” document below for restricted items).

Please keep the number of vehicles used to a **minimum**, as large volumes of vehicles lengthen the time that we can get teams in and out. **After** teams have unloaded their materials **within their 30 minute window, they must remove their vehicles** from the event grounds.

Teams will be able to park their vehicles in the adjacent field, and return to the Chilifest grounds BY FOOT to set up their team spot. Team members will be able to set up their team spot for the remainder of the day, **UNTIL 5:00PM.** At this time, all guests must leave both the grounds, and the parking lot. Teams will then be able to **return to the Chilifest grounds the following day, March 31st, at 8:00am.** No vehicles will be allowed in the grounds, but teams will be able to park in the adjacent field across from FM 3058 once again, and **walk in** to the event grounds, with tools, water, and personal effects for the day.

No additional building material, BYOB-beverages for the event, or anything remaining in the build for Friday will be allowed into the event grounds on Thursday. If your team elects to use pre-sale, your beverages will be dropped off at your spot Thursday, March 31st.

- **A preliminary build/team spot inspection will take place at 1:00 PM, on March 31st. Any necessary adjustments will be notified to team captains.**
- **A final build/team spot inspection will take place at 5:00 PM on March 31st. At this point, ALL team spots and builds must pass inspection by stated Chilifest rules, and will also be inspected by a local fire marshal.**
- **If your team bought presale beverages, the person who ordered the alcohol and whose name is on the alcohol order form must be present.**

We are excited to provide teams with more time to finalize their builds, and ensure safety. With these rules, **teams WILL NOT be allowed to bring in tools to the Chilifest grounds on Friday.** Please note, the time allotted is meant for **finalizing any builds, structures, or spot set-ups. Do NOT use this time to start building.** Structures brought to the event should be near completion, and the **time provided should be used to get needed materials in-place, and assembled.** We hope this improves the experience for our teams, and we look forward to seeing **great, creative, and safe structures** for Chilifest 2022.

Thank you for your continued support of Chilifest!

MEMORANDUM OF UNDERSTANDING

This is required and must be submitted at Team Signups, Team Add-Ons, or to mking@chilifest.org prior to March 31st. Thank you.

I, _____, as the team captain of _____ verify that I have read the rules & regulations laid out above and understand that failure to comply or take corrective actions in a timely manner at the direction of Chilifest Staff may result in team dismissal from the event.
