TEAM SIGN UPS

ONLINE REGISTRATION

- If you are unable to attend on-site team registration, you will have the option to register your team online beginning Wednesday, January 29th at 8:00 AM.
- Online team ticket sales will only be available for those paying by either debit or credit card.
- This option will take the place of mailing team registration forms for out-of-town teams or those who can not attend the in-person team sign ups.
- By signing up online, you will not be given the same priority as teams who signed up on-site in the spot selection process.
- Time of ticket purchases online will be recorded and used to determine spot selection priority after all on-site teams have made their spot selection.
- Team captains ordering online will register, and wait for an email response with a password to sign into the system and allow for Team Ticket purchasing. After entering

the given password, the Team will be able to purchase team tickets (with a minimum of 15 required). The team captain is responsible for all tickets purchased with the given password, so passwords should be kept private.

After March 5, 2024 prices will be \$138.00 + fees for cash and check
